Friends of St Patrick's

St Benedict's High school is in partnership with St. Patrick's Seminary in Rumphi, Malawi. St Patrick's is a secondary boarding school for young boys who are interested in studying for the priesthood. Whilst renowned for its academic excellence, St Patrick's is in a state of disrepair and the boys have to endure very difficult living conditions. In addition, many struggle to pay the school fees and as a result fail to finish their education.

We seek to support the education of the young boys attending the school, by providing financial assistance through a hardship fund for the most vulnerable and embarking on an extensive renovation programme. St Benedict's High School asks you to help by setting up a monthly banker's order for the sum of £5, £10 or £15 per month.

To assist, please complete the form below and return it to:
Friends of St Patrick's, St Benedict's High School, Bridge of Weir Rd, Linwood, PA5 8EX.

To ..... Bank (name of your bank)
