Information Evening – Tuesday 15 September 2026

Dear Parent/Carer

I am delighted to invite you to our Information Evening on **Tuesday 15 September at 6.00pm.**

The evening will provide you with an opportunity to hear from key members of staff and take part in a range of practical workshops designed to support you in helping your child develop and strengthen their literacy and numeracy skills throughout their journey at St Benedict's High School. We will also provide information on our approach to homework and our merits system, highlighting how these areas contribute to supporting your child's learning, progress and achievement.

The evening is primarily intended for parents/carers of pupils who have recently joined S1. However, parents/carers of S2 pupils who were unable to attend previous information events are also very welcome to attend.

Workshops - Each workshop will last approximately **25 minutes.**

- **Literacy**

This workshop will provide you with opportunities to gain first-hand experience of literacy improvement strategies that can be easily transferred to the home setting.

- **Numeracy**

Discover how strong numeracy skills can open doors to your child's success in school, everyday life and future careers – and learn how you can support their development, regardless of your own confidence with maths.

We look forward to welcoming you to the school and sharing information about how we can work together to support your child's learning and progress

Yours sincerely,

Alan Taylor
