Dear Parents / Carers

I am delighted to report a positive return to school last week. It was clear to see that pupils were enjoying being back in the building and continuing with their education. Across the week the majority of classes had 100% attendance with pupils responding well to our safety arrangements. I would like to thank parents for supporting this process.

Our twitter feed @stbenedictsren captured the variety of activities pupils experienced throughout the week. I would encourage you to have a look.

### Key Worker / Vulnerable learners HUB

- Provision for key worker families and vulnerable learners will continue for eligible pupils.

### Canteen

- The canteen will continue to offer a "grab and go" lunch service. To ensure 2m distancing, staggered entry times will be required across the 50min lunch break. To help, I would ask, where possible, your child brings a packed lunch.

### Reports

All reports will now be issued through the parental portal. Sign up is through the link

<https://parentsportal.scot/home/>

Through this portal you will also be able to access your child's school details, timetable, attendance records and letters. You'll also be able to report absences and sign permission slips.

**S1 reports** will be issued by the end of this week.

If you have any problems accessing this, please contact the school office.
