Dear Parent/Carer

I warmly invite you to our S4 Information Evening, which will be held at the school on Thursday 3rd September at 6.00pm.

The aim of the evening is to work in partnership with parents and carers to help maximise our young people's chances of success in their courses and examinations.

We will share important information about Qualifications Scotland qualifications and assessment procedures, as well as a timeline of key dates for the year ahead. There will also be a range of workshops designed to help you support your young person throughout S4. These will include practical advice on maximising attainment and supporting mental health and wellbeing.

I very much hope you will be able to attend and look forward to welcoming you to the school as we embark upon this milestone year together.

Yours faithfully

Mr McKee
Depute Head Teacher
